BLACK: dates 5239, 4639, 4039, 3439 & 2239 BC concern appearances of Nemesis X Objects/worlds in Sol system

GREEN: concern Judeo-Christian patriarchs/heroes

WHITE: event-phenomena related to the NER events of BLACK and GREEN dates seem to continue along same 600 year pattern

The 600 year NER periods are decans of 60 years. The 60 year period was hallowed to Sumerians and Anunna. On this system the year 2022 AD (60 years after 1962 AD) is a part of this holography

5544 Years $[792 \times 7]$ of Nemesis X Object

These 11 dates are all on the 792 year periodicity of the Nemesis X Object and relate to the Anunna/Anunnaki, subject of The ANUNNA Files videos on Archaix YouTube channel

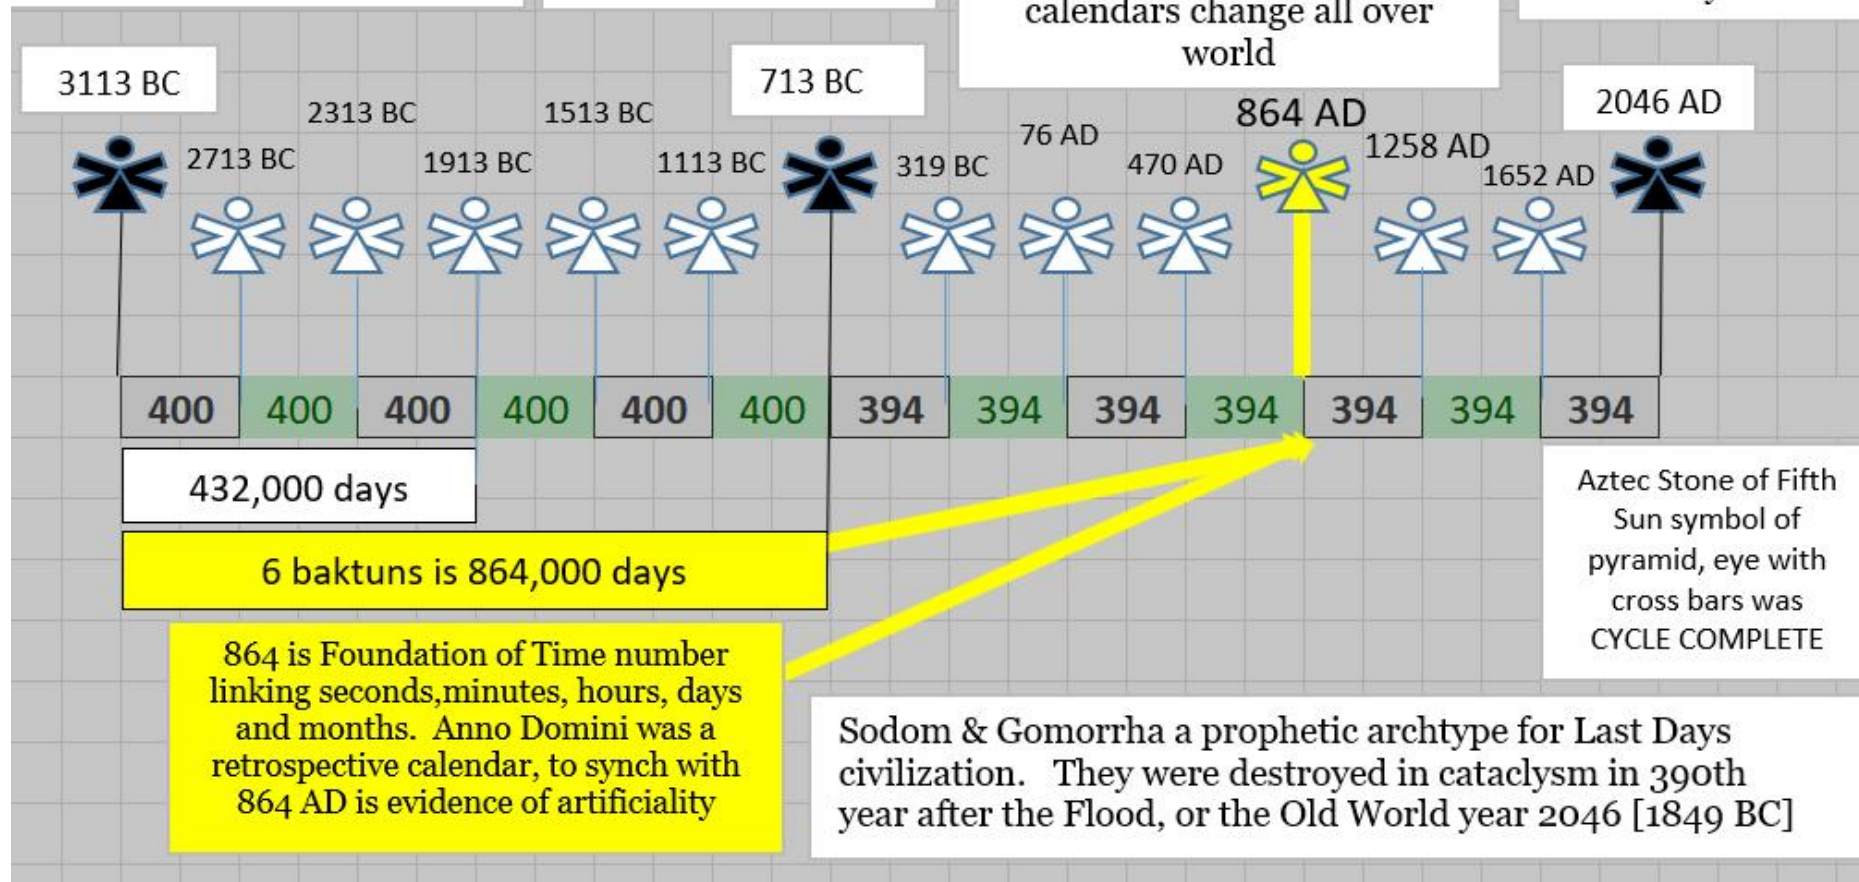

13 Baktuns Maya Long-Count is 1,872,000 Days From Beginning to End

3113 BC Impact disaster in Western Hemisphere, begins countdown to 13.0.0.0.0. next impact cataclysm

Baktun equals 144,000 days, being 400 years under Old World's 360-day year

713 BC Event of sun retrograding 10 degrees added 5 days to 360-day year; baktun of 144,000 days shortened to 394 years, calendars change all over world

2046 AD is 13.0.0.0.0. when "Time will collapse." Day/night reduced by a third to 16 hour days

Note: like Phoenix chronology, the Mayan one is a simulated protocol- well-documented but in defiance of physics of periodicity, orbits and diurnal periods

Cataclysm-
Earth, Luna,
Phoenix, Nemesis
X Object, the
Dark Satellite
catapulted toward
Sol 5239 BC
